5D353
CSA1-DSPP PROGRAM

Products listed on this Exhibit and applicable standard options that are determined by HP to be available from HP upon acceptance of Customer's order earn discounts in accordance with the following Discount Schedule(s) when purchased in accordance with the provisions of Customer's Agreement including all attachments. Custom Product and option discounts are subject to agreement between Customer and HP prior to each order. All language versions of Products listed on this Exhibit qualify.

DISCOUNT

Each Product is categorized for discount rate into a "Discount Percentage Schedule" column as shown in the "Products Subject to Discount" table.

DISCOUNT PERCENTAGE SCHEDULE

			I	II	III	IV	V
United States US Dollars							
	0 -	99 999 999 999 999	00.0	50.0	00.0	00.0	20.0

PRODUCTS

A detailed listing of the specific Products and associated discount columns is available from HP upon request.
